

# 512/712 Rider

512 Rider

712 Rider

## Great Productivity

Huge hopper capacity

Extensive filtering surface

Extensive running time

## High Performance

Main brush pressure adjustment

Dust flap for large debris collection

## Ergonomics, User Friendly

Easy to use control panel

Designed for maximum comfort

Designed to assure minimum noise levels

Battery level indicator

On board charger (Opt.)

Flashing beacon (Opt.)

## Low Maintenance Costs

Dust filter replacement without tools

Easy access to motor compartment

## Robust construction

Heavy duty chassis in fully coated steel

Maximum protection against impact

Panel control switches protected against water and humidity

## 512/712 Rider

### Maximum comfort and extreme ease of use

Adjustable seat as standard.

### Easy access to internal components

Simple to tilt entire top body.

### Maximum brush wear saving

- Main brush pressure is easily adjusted from driving position.
- The led indicator on dashboard allows constant view of brush pressure.
